

APPLYING FOR FINANCING

With Viking Capital

01

APPLY

Submit your application through your builders link found on their website. We perform a soft pull only upon applying

02

AWAITING RESPONSE

A loan consultant will reach out to you via phone, email, or text to go over your loan options available

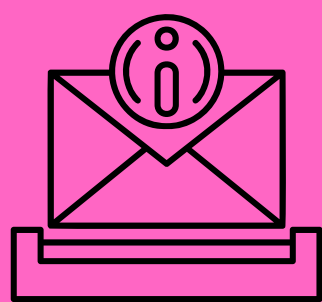

03

DOCUMENT PREP

Gather your ID and signed contract
If income is needed, gather your last 2 paystubs, W2's, or 1099 if self-employed

04

CHECK YOUR INBOX

Look out for an email from your processor with instructions on the next steps in the process

05

FINAL SIGNING

You will review and sign your final loan documents to officially complete and finalize your loan process

06

CLEAR TO START

A clear to start email will go out to your contractor, letting them know your financing is in place and they can start the project
